1. SUPPLIES
You may have to travel long distances between gas stations and food stops, so fill 'er up and stock up on snacks when you can. No hangry driving, please.

2. WILDLIFE
Watch out for four-legged locals on or near the road, particularly around dawn and dusk. Keep your distance and avoid lingering.

3. NAVIGATION
No cell service in some locations means, "goodbye Google Maps." Keep a compass handy and use this map to mark your routes.

4. Road Trip Experiences
- Swig a Sour Toe Cocktail in Dawson City
- Get lost in a Sign Post Forest at Watson Lake
- Get a frozen hairdo at the Takhini Hot Springs near Whitehorse
- Sandboard down the dunes of the world’s smallest desert near Carcross

We double dare you to give these a try:

4 key tips for road trips
1. SUPPLIES
Take snacks and water to keep you going. Fill up your tank when you can.

2. WILDLIFE
Stay alert for wildlife on or near the road, especially at dawn and dusk.

3. NAVIGATION
Use a car compass and mark your route with a map. No cell service in some areas means saying goodbye to Google Maps.

4. ROAD TRIPS
Make sure to visit these top spots:
- Swig a Sour Toe Cocktail in Dawson City
- Get lost in a Sign Post Forest at Watson Lake
- Get a frozen hairdo at the Takhini Hot Springs near Whitehorse
- Sandboard down the dunes of the world’s smallest desert near Carcross
